

## West of England Combined Authority Committee Forward Plan 2021- 22

PUBLICATION DATE: 4 NOVEMBER 2021

The Forward Plan seeks to anticipate (as far as possible) the decisions to be made by the West of England Combined Authority Committee and the West of England Joint Committee during the 2021/22 municipal year.

Government guidance recognises that the plan is a best assessment, at the time of publication, of anticipated decision making. The Forward Plan is updated regularly and can be viewed on the West of England Combined Authority website.

For all meetings, a formal agenda will be published at a minimum of 5 clear working days before the meeting.

This update covers the meeting of the West of England Combined Authority Committee scheduled to be held on 3 December 2021. There will be no Joint Committee business at the 3 December meeting.
