

Joint meeting - West of England Combined Authority Committee and West of England Joint Committee Forward Plan

PUBLICATION DATE: 1 JUNE 2022

The Forward Plan seeks to anticipate (as far as possible) the decisions to be made by the West of England Combined Authority Committee and the West of England Joint Committee during the 2022/23 municipal year.

Government guidance recognises that the plan is a best assessment, at the time of publication, of anticipated decision making. The Forward Plan is updated regularly and can be viewed on the West of England Combined Authority website.

The Forward Plan aims to go beyond the minimum legal requirement for notice of key decisions to be published at least 28 days in advance of the decision-taking meeting. The West of England Combined Authority is committed to openness and participation in decision making and accordingly the Forward Plan includes as much information as possible about decisions expected during the 2022/23 municipal year.

For all meetings, a formal agenda will be published at a minimum of 5 clear working days before the meeting.
