

West of England Combined Authority Committee

Friday 3 December 2021

Notice issued under Article 12, Part 3 of the Combined Authorities (Overview and Scrutiny Committees, Access to Information and Audit Committees) Order 2017.

The agenda papers published for this meeting include the following report at agenda item 12: 'UK community renewal fund'

Notice of this item was not included in the committee forward plan published previously on 4 November 2021. The item is being brought to the December committee for decision as there is a June 2022 deadline for projects funded through this fund to complete, so it is considered preferable to seek confirmation of the award of these grants at the 3 December committee so the projects can start delivery rather than wait until the January committee.
