

**Decision Notice**

**Decision Title:** Regional Low Carbon Delivery Programme - Innovative Housing Retrofit Scheme Change Requests

**Decision Date:** 19<sup>th</sup> February 2024

**Decision Reference Number:** ENV\_2024\_0008

**Decision Taken**

Environment Directors' support change requests reprofiling £392k and a completion delay of 3 months for the Innovative Housing Retrofit Scheme (IHRS).

**Reasons for the Decision**

To allow full spend of grant and delivery of the target outputs. The changes are low risk to Mayoral Combined Authority (MCA) and unitary authorities.

**Authority for the decision**

Reprofiling of up to £500k (for approved schemes deliver funding) between financial years is delegated to the West of England Mayoral Combined Authority Director of Environment in consultation with the Environment Directors of the constituent Councils.

**Decision-Taker**

**Full Name:** Roger Hoare

**Position:** Director of Environment

**Date:** 12<sup>th</sup> March 2024

**In Consultation with:** Unitary Authority Environment Directors
