Decision Title: Regional Low Carbon Delivery Change Request

Decision Date: 8th November 2023

Decision Reference Number: ODN_2023_0018

Decision Taken

That:

- 1) CEOs support the proposed extension to the Regional Low Carbon Delivery Full Business Case. This applies an additional £716,000, allocated at March 2023 committee, to the £4.9m Full Business Case, enabling the extension of the free carbon survey offer.

Reasons for the Decision

1. An outline funding proposal was approved at the West of England Combined Authority Committee in March 2023 to expand the Mayoral Combined Authority (MCA) Carbon Survey offer.
2. Annex A CEO RLCD Change Request sets out in detail how this funding will increase the number of carbon surveys by 450 and expand the range of businesses engaged in the scheme.
3. The Combined Authority will work closely with the Local Authority Economic Development teams to promote the offer in priority areas.

Authority for the decision

Delegated authority has been granted to the Combined Authority's Chief Executive by the West of England Combined Authority Committee on 23rd September 2022 to take decisions on the award of Green Recovery Fund in consultation with the Chief Executives of the West of England unitary authorities.
